

subsequent correspondence or other material which the applicant desires to have incorporated as a part of an application already filed shall be submitted in the form of an amendment to the application.

(b) Failure to prosecute an application, or failure to respond to official correspondence or request for additional information, will be cause for dismissal. Such dismissal will be without prejudice where an application has not yet been designated for hearing; such dismissal may be made with prejudice after an application has been designated for hearing.

#### **§ 5.61 [Reserved]**

#### **§ 5.62 Licenses required for separate experimental projects.**

A separate station license will be required for each class of station in the Experimental Radio Service. Application for a class of station embracing widely divergent and unrelated experimentations normally will require a separate license for each phase of the experimental program: *Provided, however,* That the Commission may, when circumstances warrant, issue a single license embracing the entire project.

[28 FR 12506, Nov. 22, 1963, as amended at 48 FR 52737, Nov. 22, 1983]

#### **§ 5.63 License period.**

(a) The basic license period for stations in the Experimental Radio Service is 2 years.

(b) A license will not be granted for a period longer than that which is required for completion of the experimental project. If such period is estimated to be less than 2 years, a statement to that effect by the applicant may facilitate a grant of the application. See also § 5.58.

(c) The expiration dates for licenses in the Experimental Radio Service will be distributed over the 12 calendar months, in accordance with the alphabetical distribution of the names of licensees. Hence, an initial license may be granted for a basic period of 1½ to 2½ years, depending on the date of grant and the alphabetical position of the name of the licensee.

[32 FR 1129, Feb. 1, 1967, as amended at 48 FR 52737, Nov. 22, 1983]

#### **§ 5.64 Change in equipment.**

(a) A change may be made in a licensed transmitter without specific authorization from the Commission provided: (1) The change does not result in operation inconsistent with any term of the outstanding authorization for the station involved; and (2) a description of the change is incorporated in the next application for renewal or modification of license.

(b) Prior authorization from the Commission is required before the following antenna changes may be made at a station at a fixed location:

(1) Any change which will either increase the height of a structure supporting the radiating portion of the antenna or decrease the height of a lighted antenna structure.

(2) Any change in the location of an antenna when such relocation involves a change in the geographic coordinates of latitude or longitude by as much as one second, or when such relocation involves a change in street address.

#### **§ 5.65 Operation at a temporary location.**

(a) An application for authority to operate at temporary locations shall specify the general geographical area within which the operation will be confined.

(b) When a station is authorized to operate at temporary locations, the following notification procedure shall be followed:

(1) When the station is placed in operation for the first time, the Engineer in Charge of the Radio District(s) involved shall be notified.

(2) When the station is moved from one location to another, the Engineer in Charge of the Radio District(s) involved shall be notified.

#### **§ 5.66 Discontinuance of station operation.**

In case of a permanent discontinuance of operation of a fixed or land station in the Experimental Radio Service, or in case of permanent discontinuance of operation of all transmitter units listed in the license for a mobile station in the Experimental Radio Service, the licensee shall forward the station license to the Washington, D.
